SUBJECT: **FUNDING AUGMENTATION FOR DIDI HIRSCH PSYCHIATRIC SERVICE,
CONTRACT NO. H-702254**

This is to inform you that we plan to implement the adjustment and reallocation provision for our agreement with Didi Hirsch Psychiatric Service. This provision allows the Director of Public Health or his authorized designee to augment funds up to 15 percent of the contract's budget.

I am recommending this funding augmentation to enable the agency to provide substance abuse assessment at the west area urgent care center. Alcohol and Drug Program Administration is proposing to augment the contract as indicated in the following attachments.

Attachment 1 - Description of the services affected by this amendment

Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.
